[201215 Cultural Assessment draftv1.docx](#)

All - Tami and I worked on this draft yesterday. Two of the three sections are drafted: the characterization summary (target - 1page) and the assessment of potential effects from routine operations (target 2-5 pages). I am forwarding these for your review while I complete the third section on potential effects from accidents/failures. Please send me comments by mid-day today. Sorry for the short turn-around but I need to get these to Kate tomorrow. Thanks for any thoughts you have on these first drafts.....
